

## **BANK IN A MOBILE – Smart Banking ONLINE ACTIVATION**

In choosing the online method of activation, your request will be processed electronically without your needing to visit a branch – and will be completed **no later than 48 hours** from its submission. Thus it is a convenient and time-saving way to activate Bank in a mobile – Smart Banking.

You will be informed as to the activation of Bank in a mobile – Smart Banking **via 2 SMS messages** sent to the given mobile phone number. The first SMS will contain a link to the web page for downloading the Smart Banking application. A unique **16 character activation code necessary for first login** to the application will be sent to you in the second message.

At the same time, you will receive a message into Online Banking confirming activation of the product and containing the following contractual documentation: Contract for Using Direct Banking Products, Order to Set Up a Direct Banking User, and Smart Banking Activation Code.

### **Procedure for first login**

1. Click on the link sent to you in the first SMS and proceed according to the type of mobile phone and operating system:

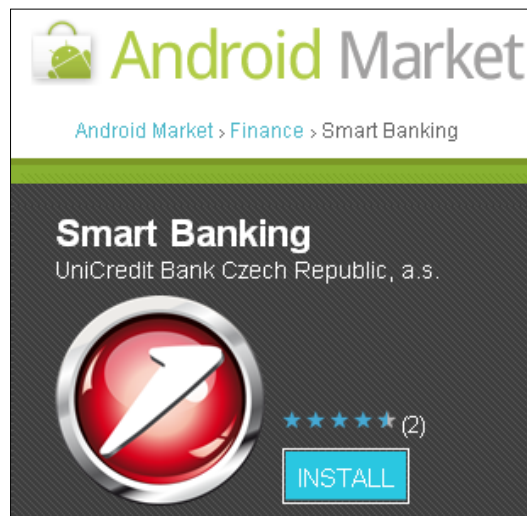

#### **Nokia, BlackBerry and other mobile phones**

- I. The application is automatically downloaded to your mobile upon clicking the link (for certain types of mobile phones it is necessary to copy the link and enter it into an internet browser).

#### **HTC, Samsung, Sony Ericsson, LG, etc. (Google Android)**

- I. The application is opened in Android Market.
- II. To download, click on the "INSTALL" button.
- III. The application is then downloaded to your mobile.

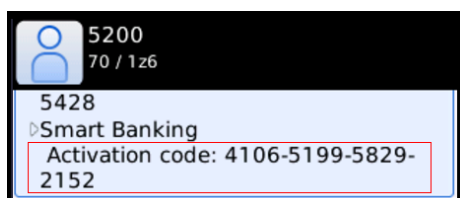

## iPhone (iOS)

- I. The application is opened in the AppStore.
- II. To download, first click on the “FREE” button and then on the “INSTALL” button.
- III. The application is then downloaded to your mobile.

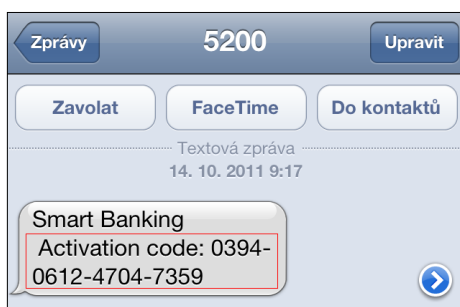

2. You can open the Smart Banking application in your mobile phone by clicking the icon in the form of the UniCredit Bank logo.
3. Enter the 16 character activation code which you received in the second SMS in the format XXXX-XXXX-XXXX-XXXX.

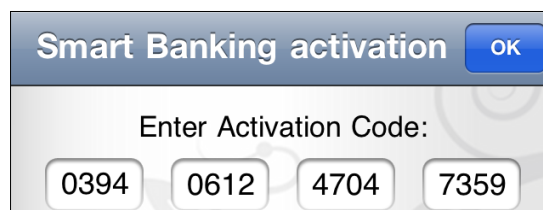

Incoming SMS in BlackBerry

Entering the activation code in BlackBerry

Incoming SMS in iPhone

Entering the activation code in iPhone

4. Enter your user number (same as the user number for logging into Online Banking).
5. Choose and enter your own PIN (always a 6 number code; a sequence of numbers is not accepted).
6. Re-enter the PIN to confirm (remember the PIN and do not save it in your mobile).
7. Log into the application.

### **Important information**

- The activation code sent in the first SMS is valid for 48 hours and is required only for the first login to Smart Banking.
- The user number also is required only for the first login to Smart Banking.
- The PIN serves for logging into the application as well as for signing active payment transactions. Entering the PIN incorrectly three times blocks the application.
- The PIN can be changed at any time directly in the Smart Banking application.

### **Notice**

You are entitled to withdraw from the contract within 14 days of its conclusion. A written notice of withdrawal from the contract may be sent by registered mail to UniCredit Bank Czech Republic, a.s., Na Příkopě 858/20, 111 21 Prague 1, or may be delivered in person to any branch of the Bank. The withdrawal notice must be delivered to the Bank at latest on the last day of the aforementioned period. If the client exercises the right to withdraw from the contract, the Bank is entitled to require that the Client pay for those services provided theretofore.
