

Business Smart Banking activation with password

1

Download and install the app from the App Store or Google Play.

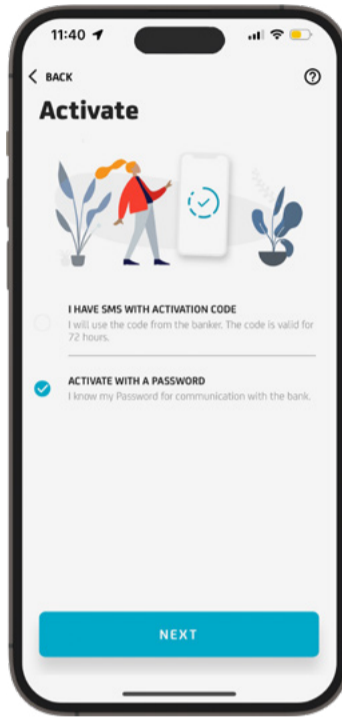

2

Select SMART BANKING on the home screen.

3

Select ACTIVATE WITH PASSWORD and click NEXT.

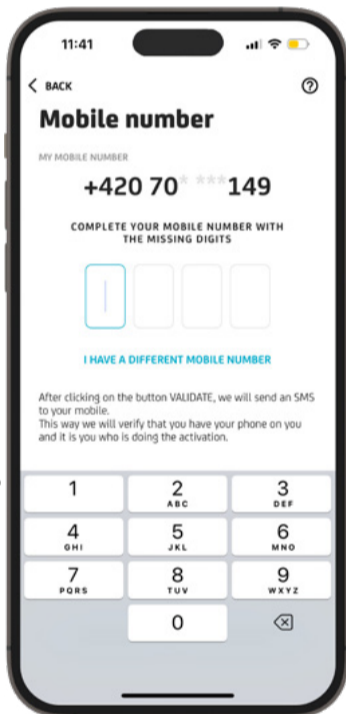

4

Fill in your User ID and password to communicate with the bank and click NEXT.

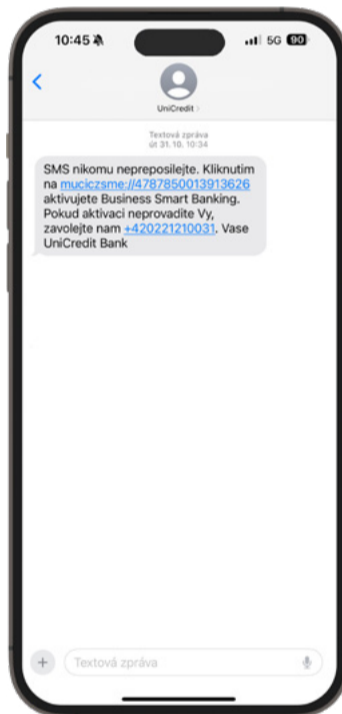

5

Fill in the missing digits from your phone number that you have registered for Business Smart Banking and continue.

6

You will receive a verification SMS with information about the ongoing activation. On Android, the activation code will be read automatically, on iOS click the link in this SMS.

7

Choose your PIN. You can enable the use of biometrics for logging in and signing payments. Click NEXT to complete the activation.
